## Introversion vs Extroversion; The Myths & The Realities

www.buhappinesscollege.com

EXTRO

"I am both extrovert and introvert. I like people, but I need to be alone. I'll go out, vibe, and meet new people but it has an expiration because I have to recharge. If I don't find the valuable alone time I need to recharge, I cannot be my highest self"

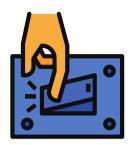

- Sylvester McNutt III

### Light Switches vs Spectrums

**Extrovert** Introvert

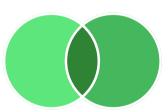

**Light Switch Approach** 

**Extrovert** 

**Ambiversion** 

**Introvert** 

**Spectrum Approach**
